MASTER OF ARTS
BILINGUALISM STUDIES

The Official Languages and Bilingualism Institute (OLBI (http://www.olbi.uottawa.ca)) is offering a program leading to the Master of Arts (MA) in Bilingualism Studies.

The program is offered in English and French. Students are required to take one of their two compulsory courses in English and the other in French. The electives can be taken in either language.

In accordance with the University of Ottawa regulation, students have the right to produce their work, their research paper, their thesis, and to answer examination questions in French or in English. The program is offered on both a full-time and a part-time basis. Two options are available for the program, the MA with thesis and the MA with research paper.

The program is governed by the general regulations (http://www.grad.uottawa.ca/Default.aspx?tabid=1807) in effect for graduate studies.

Admission Requirements

For the most accurate and up to date information on application deadlines, language tests and other admission requirements, please visit the specific requirements (http://www.uottawa.ca/graduate-studies/programs-admission/apply/specific-requirements) webpage.

To be admitted to the MA program in Bilingualism Studies, candidates must have one (1) of the following:

- An honours bachelor’s degree or equivalent in Second Language Teaching / Didactique des langues secondes, in Applied Linguistics or in a related discipline.
- A three-year bachelor’s degree in Applied Linguistics or a related discipline in addition to a university-level, university-administered advanced certificate in TESOL (Teaching of English to Speakers of Other Languages), representing a minimum of 30 units.

The minimum admission average is 70% (B), calculated in accordance with graduate studies guidelines.

Language Requirements

All applicants must be able to understand, speak and write either English or French proficiently. Applicants whose first language is neither English nor French must provide proof of proficiency in one or the other. The list of acceptable tests is indicated in the specific requirements (http://www.grad.uottawa.ca/Default.aspx?tabid=2001) of the program.

Additional Coursework

The Admissions Committee may, depending on the students’ academic background, require them to complete one or two additional courses beyond the basic MA degree requirements.

Program Requirements

MA with Thesis (12 units)

Compulsory Courses: 1

BIL 5101/5501 Issues in Bilingualism Studies 3 Units
BIL 5102/5502 Research Methodology in Bilingualism Studies 3 Units
6 elective course units in bilingualism studies (BIL) at the graduate level 6 Units

Thesis Proposal:

BIL 7990 Thesis Proposal 0 Unit
Thesis:

THM 7999 Master’s Thesis 0 Unit

Note(s)

1 Note that one compulsory course must be completed in English and the other in French.

Candidates must begin the process of selecting a thesis topic and supervisor during their first term in the program. The choice of thesis topic and supervisor must be registered officially no later than the end of the second term.

Thesis Proposal

The thesis proposal is prepared under the direction of the thesis supervisor and must be defended orally. The proposal must normally be successfully completed by the end of the third term. In the event of failure, the proposal can be resubmitted and defended the following term at the latest. A second failure leads to withdrawal from the program. The proposal must be successfully completed before submitting it to the Research Ethics Board (if required) and before undertaking any independent data collection.

MA with Research Paper (18 units)

Research Paper:

BIL 7998 Research Paper 6 Units

Note(s)

1 Note that one compulsory course must be completed in English and the other in French.
2 Two electives (6 units) may, with prior approval of the program director, be selected from graduate courses offered by other departments.

Duration of the Program

Full-time students are expected to fulfill all requirements of the thesis option within two years and of the research paper option within sixteen months. The maximum time permitted is four years from the date of initial enrollment in the program.
Minimum Standards
The passing grade in all courses is C+. Students who fail two courses (equivalent to 6 units), or the thesis proposal or whose research progress is deemed unsatisfactory must withdraw from the program.

Research
Research Fields & Facilities
Located in the heart of Canada’s capital, a few steps away from Parliament Hill, the University of Ottawa is among Canada’s top 10 research universities.

uOttawa focuses research strengths and efforts in four Strategic Areas of Development in Research (SADRs):

- Canada and the World
- Health
- e-Society
- Molecular and Environmental Sciences

With cutting-edge research, our graduate students, researchers and educators strongly influence national and international priorities.

Research at the Faculty of Arts
The Faculty of Arts is proud of the state-of-the-art research conducted by its professors. In the spirit of showcasing its research to the university community as well as to the general public, the Faculty has created three activities: Dean’s Lecture Series, Treasures of the Library, and Excellence Lectures.
