Bachelor of Science with Major

This program lets you explore different scientific disciplines and thus acquire a broad background in all the sciences. If along the way you develop an interest in a particular field, you can transfer to the program in question.

This program is offered in English and in French.

Program Requirements

This program requires 120 units.

A minimum of 60 units offered by the Faculty of Science. A minimum of 30 units at the 3000 level or above of which at least 15 units must be from the Faculty of Science.

• A major offered by the Faculty of Science

Please note that all programs in the Faculty of Science require a minimum of 12 units from the Faculties of Arts, the Faculty of Education, the Faculty of Law, the Faculty of Social Science or the Telfer School of Management. Once you have decided on the replacement courses, please inform the Office of Undergraduate Programs of the Faculty of Science by email at infosci@uOttawa.ca so that we may amend your Academic Advisement accordingly.
