HONOURS BA IN 
ENVIRONMENTAL STUDIES 
(BILINGUAL PROGRAM)

Environmental studies delve into some of the most significant issues of our day, such as anthropogenic climate change, urban pollution and possible threats to human health. You learn how to use applied research tools and management principles that can be applied in a variety of areas, such as conducting environmental impact assessments and resource management.

This is a bilingual program.

Program Requirements

Co-operative education is available with this program.

The French immersion stream is available with this program.

At least 18 course units specific to the program, excluding bilingual courses, must be taken in the second language.

Requirements for this program have been modified. Please consult the 2016-2017 calendars (http://catalogue.uottawa.ca/en/archives) for the previous requirements.
