

HONOURS BACHELOR OF HUMAN KINETICS

The Honours Bachelor of Human Kinetics (BHK) emphasizes the social sciences aspects of physical activity, sport, active leisure and health. It provides the knowledge and skills required to play a leading role in developing, promoting and implementing programs, policies and positive lifestyle behaviours for different populations in a variety of settings. Students will have the opportunity to do experiential education internships in a community venue, or do a research project supervised by faculty. Graduates of this program will gain theoretical and applied knowledge from disciplines such as sociology, psychology, pedagogy/coaching, leisure studies and administration, as well as foundational understandings of the biophysical aspects of human movement. This program prepares students to pursue a number of job opportunities in community recreation and sport; socio-cultural studies in leisure and sport; sport and leisure management; coaching in sport; teaching in schools and other settings; sport psychology; and sport, physical activity and health consultancy.

This program is offered in English and in French.
