

MICROPROGRAM COMPOSING FOR MEDIA

Overview

This microprogram is intended for students who have already developed compositional skills through courses in composition, counterpoint and orchestration.

Admission Requirements

Candidates are required to have one of the following:

- A BMus.
- A four-year honours BA in music.
- A four-year BA with a major in music.
- Or an equivalent degree or diploma.

Students who would like to enroll in the Composing for Media microprogramme must contact the program director at musdirg@uottawa.ca and submit the following documents:

3 scores (original compositions) in pdf format. (A single file comprising all 3 scores is preferred, but not required.) At least one of these scores should be for 3 or more instruments and one should have a duration of 5 minutes or longer. The first page of each score should be a title page with Title, Instrumentation, Name, and Date of Composition. On the back of the title page, please provide program notes and a link to an audio file via YouTube, Dropbox, Soundcloud, Google Drive, etc. Digital mockups (such as Finale or Sibelius playback) are acceptable. You may use the following link to convert mp3s to YouTube videos: <https://www.tunestotube.com>.
