# MICROPROGRAM METHODOLOGY APPLIED TO THE PROFESSIONAL CONTEXT

## **Overview**

The Microprogram in Methodology applied to the professional context consists of 9 course units.

It focuses on the identification, evaluation and analysis of the data necessary for practice in the community and professional world.

# **Admission Requirements**

The registration process for a Microprogram depends on your student status.

#### Students already admitted and enrolled in a graduate program

Students wishing to pursue a graduate program must apply for, and be admitted to, their graduate program before they enroll in a second Graduate Microprogram identified within their existing program.

Students who would like to enroll into the Microprogram in Methodology applied to the professional context must contact the graduate studies office at scsgrad@uottawa.ca

#### Non-degree students

Students pursuing a Graduate Microprogram, without being admitted to or intending to complete a graduate program, must obtain the prior approval of the academic unit offering the Graduate Microprogram.

### Students must meet the following eligibility:

Applicants must hold a honours BA in sociology or equivalent field with a minimum average of 70 % (B) or if the students do not have a BA in these related fields, applicants can be considered if they have a BA in another field as well as relevant work experience.

Candidates must be able to understand, speak, and write in either French or English depending upon the language of their program. Students whose first language is neither French nor English must apply evidence of competence in one of the two official languages.

If you would like to enroll in the Microprogram in Methodology Applied to the Professional Context without being admitted in a graduate studies program, send an email to the (https://www.uottawa.ca/graduate-studies/contact-info/)graduate studies office (scsgrad@uottawa.ca) of the Faculty of Social Science and include the following documents:
