## HONOURS BACHELOR OF SCIENCE IN NURSING (COMING SOON)

## **Overview**

The program is temporarily suspended.

The Honours Bachelor of Science in Nursing is a four-year program. It is offered in both official languages, with the English program offered in collaboration with Algonquin College. It seeks to prepare the next generation of nurses to offer quality nursing care and to assume leadership within the health care system.

Its mandate is to prepare generalist nurses:

- · Who can work in any place offering nursing care,
- · Who have developed effective communication skills,
- · Who use their critical thinking and analytical skills at work and
- · Who are open to lifelong learning.

This program also lead to graduate studies (MSc, MSc — PHCNP, PhD) in nursing sciences at the University of Ottawa.

This program is offered in English and in French.

## **Program Requirements**

The Honours Bachelor of Science in Nursing can be completed through the following paths:

- · Collaborative program with Algonquin College,
- · Second entry program;
- · Bridging program for Registered Practical Nurses.

The French immersion stream is available with this program.

The passing grade for all nursing (NSG) courses is C+.

Registration status options: This is a full-time program.
