# MICROPROGRAM PROFESSIONAL EDITING

## Overview

The Professional Editing Microprogram is an interdisciplinary program in writing and editing for business, science and the arts. Housed within the Department of English, the professional editing microprogram provides students with knowledge and skills much in demand by employers in government, business, social service, and community organizations. Take courses in Technical Writing and Editing, Policy Writing, Advanced Grammar, and Organizational Communication, among others. 15-unit microprograms in Professional Writing and in Creative Writing are also available.

This program is offered in English only.
