MINOR IN MANAGEMENT

The option in management is designed to provide students with general management skills while balancing practical and analytical concerns in the search for improvements to the decision-making process. It emphasizes creativity, innovation and the ability to generate project ideas, to evaluate them and to bring them to fruition.

This program is offered in English and in French.

Program Requirements

The table below includes only discipline-specific courses. Please refer to the Academic Regulations (https://www.uottawa.ca/about-us/policies-regulations/academic-regulations/b-2-program-studies/) for information on including a minor to your degree.

This program can be chosen only as a second study module as part of a 120-unit bachelor's degree that allows a minor.

Requirements for this program have been modified. Please consult the 2023-20243 calendars (http://catalogue.uottawa.ca/en/archives/) for the previous requirements.
