

PROGRAMS AND COURSES

This site is the official source of information on undergraduate and graduate programs and courses offered at the University of Ottawa. It shows you the basic structure of each program, including the number of units (credits) needed to graduate, the compulsory and optional courses as well as course prerequisites and descriptions. You can also see which programs offer CO-OP (<http://coop.uottawa.ca/en/>) and French immersion (<http://immersion.uottawa.ca/en/?lang=eng/>) (undergraduate programs only).

Course offering

Programs are offered in English and in French. Some courses are not offered each year. Students should consult with their academic unit in order to plan their course sequence.

The information on this site is updated every March.
