MASTER OF ARTS IN HISTORY

The Department of History offers the degree of Master of Arts (with or without thesis) in History. Within the limits imposed by the availability of qualified staff, students may pursue their studies in English or in French.

At the master's level students undertake research in diverse areas corresponding to the expertise and interests of faculty members. The program includes a co-op option at the master's.

The Department participates in the collaborative programs in Women's Studies and in Medieval and Renaissance Studies at the master's level, allowing students to specialize in one of these areas.

The programs are governed by the general regulations (http://www.grad.ottawa.ca/Default.aspx?tabid=1807) in effect for graduate studies.

Admission Requirements

For the most accurate and up to date information on application deadlines, language tests and other admission requirements, please visit the specific requirements (https://www.uottawa.ca/graduate-studies/programs-admission/apply/specific-requirements/) webpage.

Students must have an honours BA in history (or the equivalent) with a minimum average of 70 per cent (B) before they can be considered for admission. The department may require a written or oral entrance examination.

Co-op Option

To be admissible to the co-op option, students must start the Master of History Program in the fall term and be enrolled full time. Applications for the co-op option must be received by the end of the first month of the student's enrollment in the MA program. Acceptance into the co-op option is offered on a competitive basis and is managed by the Co-op Office. Enquiries should be directed to that office.

Language Requirements

All applicants must be able to understand, speak and write either English or French proficiently. Applicants whose first language is neither English nor French must provide proof of proficiency in one or the other. The list of acceptable tests is indicated in the “Admission” section of the general regulations in effect for graduate studies.

In accordance with the University of Ottawa regulation, students have a right to produce their work, their thesis, and to answer examination questions in French or in English.

Note(s)

1 The research paper must receive the approval of the supervisor and a passing grade from the reader. The research paper should be about 50 pages in length.

Language Requirements

Students in both the master's and doctoral programs must understand, speak and write either English or French fluently. In addition, students in both programs must demonstrate their reading competence in Canada's other official language, French or English, at the earliest opportunity, by passing a language examination administered by the department in the fall or winter term. To this end, enrollment in HIS 5599 is compulsory. Students who take a graduate course in history in the other language may be exempted from this examination, given a favourable report from the professor concerned. Students working in a field of history where a language other than English or French is necessary may also be required to demonstrate their grasp of that language.

Co-op Option

Co-op students must enroll full-time and complete two work terms: ACP 6001 and ACP 6002. The co-op work terms are each worth six units.

Each work term is graded P/F (Pass or Fail), based on the employer's report and on a written report completed by the student. (The report must be 30 pages, including appendices.) The report is evaluated by the professor in charge of the graduate co-op option in History.

The units awarded for co-op work terms may not be used to obtain equivalences for other courses. In other words, the co-op units are additional to the minimum requirements of the degree.

To remain in the co-op option, students must:

- Be enrolled full-time.
- Maintain a 7.0 cumulative grade point average.
- Obtain a satisfactory grade (P) for each co-op work term.

Duration of Program

Students are expected to complete all requirements within two years. The thesis must be submitted within four years of the date of initial enrollment in the program.

Minimum Standards
The passing grade in all courses is C+. Students who fail two courses (equivalent to 6 units) must withdraw from the program.
