MASTER OF ARTS
PHILOSOPHY

The Department of Philosophy offers MA (with or without thesis) and PhD programs in Philosophy. The programs are offered in English and French. According to the University’s policy, students may pursue their studies in the official language of their choice.

The Department participates in the collaborative programs in Women's Studies (at the MA level), in Medieval and Renaissance Studies (at the MA level) and in Canadian Studies (at the PhD level).

The programs are governed by the general regulations (http://www.grad.ualberta.ca/Default.aspx?tabid=1807/) in effect for graduate studies.

Admission Requirements
For the most accurate and up to date information on application deadlines, language tests and other admission requirements, please visit the specific requirements (https://www.ualberta.ca/graduate-studies/programs-admission/apply/applied-requirements/) webpage.

To be admitted to the MA program a candidate must have an honours BA in Philosophy (or the equivalent) with a minimum 'B' average. The Department reserves the right to impose a preliminary examination.

Candidates lacking the necessary background may be admitted to a qualifying program.

An application dossier must include official transcripts and two letters of recommendation. For the master's with thesis, the dossier must also include a description of the intended field of research, and a sample of written work in philosophy (15-25 pp.).

Language Requirements
Proficiency in both French and English is strongly encouraged so that students may take advantage of the full range of activities — lectures, personal contacts, and courses — available in the Department (graduate courses are normally not duplicated in the two languages).

In accordance with the University of Ottawa regulation, students have a right to produce their work, their thesis, and to answer examination questions in French or in English.

Program Requirements
An accelerated route leading from the MA program into the PhD program is available (see PhD Program).

Master's with Thesis

   • Completing 6 units of FLS courses at your level (as determined by the Official Languages and Bilingualism Institute); OR
   • Successfully completing a Philosophy graduate seminar given in French. (N.B. As per University regulations, students may write examinations and papers in the official language of their choice.)

Master's with Coursework
The MA program without thesis consists of 8 (one-term) courses.

Compulsory Courses:

Second Language Proficiency Requirement 2
