

BACHELOR OF ARTS INTERDISCIPLINARY STUDIES (ONLINE)

AHL 4170	Harnessing Interdisciplinary Thinking: Knowledge for Insight Application	3 Units
Total:		120 Units

Overview

The Accelerated B.A. program in Interdisciplinary Studies is a curated, high-impact degree designed for experienced learners building on prior education or training. Delivered fully online, it offers a structured and intellectually rich curriculum. Students gain transferable, workplace-relevant skills, including digital fluency, interdisciplinary problem-solving, and cultural and historical literacy. Courses in global history, Canadian culture, literature, architecture, environmental studies, and Indigenous thought provide the conceptual vocabulary and broad-based knowledge needed to participate meaningfully in contemporary Canadian society and global public life. Whether advancing your career or pursuing personal growth, this program offers a transformative educational experience that equips you for what comes next.

This program is offered in English only.
