BACHELOR OF MUSIC (BMUS)
- PERFORMANCE PROFILE

The School of Music at the University of Ottawa is one of the country’s leading music schools. It is the ideal place to nurture your passion for all things musical and to pursue the rigorous training needed for an active and successful career in the field. We maintain close ties with renowned institutions such as the National Arts Centre (NAC) and the Ottawa Symphony Orchestra. Our program boasts state-of-the-art music facilities and internationally recognized professors who perform around the globe and publish in leading academic journals. We are a full-service music school offering programs in performance, composition, music education, piano pedagogy, theory and musicology.

Although any of our programs can pave the way for a career in education, musicology, music journalism or arts administration, the Bachelor of Music (BMus) is designed specifically for students wishing to become career musicians. Admission to the BMus therefore requires that you audition on your main instrument and demonstrate an intermediate or advanced level. In addition, the University of Ottawa is one of the only institutions in the country to offer the possibility of combining the BMus program in performance with a major in science.

This program is offered in English and in French.

Program Requirements

Additional requirement: admission to the BMus requires an audition. Consult the School of Music guidelines.

All non-keyboard majors must submit to a proficiency exam set by the School of Music at the end of the 2nd year. This exam must be completed successfully by the end of the 4th year to obtain the BMus degree.

Requirements for this program have been modified. Please consult the 2021-2022 calendars (http://catalogue.uottawa.ca/en/archives/) for the previous requirements.
