

HONOURS BACHELOR OF SCIENCE NURSING - SECOND ENTRY PROGRAM

SAI 4120	Interprofessional Health Care Practice	3 Units
Total:		75 Units

Please note that admission to the Honours Bachelor of Science in Nursing - Second Entry Program is suspended until further notice.

The Honours Bachelor of Science in Nursing Second Entry stream can be completed in 24 months. It seeks to prepare the next generation of nurses to offer quality nursing care and to assume leadership within the health care system. Its mandate is to prepare generalist nurses (a) who can work in any place offering nursing care, (b) who have developed effective communication skills, (c) who use their critical thinking and analytical skills at work and (d) who are open to lifelong learning. These programs also lead to graduate studies (MSc, MSc – PHCNP, PhD) in nursing sciences at the University of Ottawa.

This program is offered in English and in French.

Program Requirements

The passing grade for all nursing (NSG) courses is C+.
