

CERTIFICATE PIANO PEDAGOGY

Are you passionate about piano teaching? The School of Music at the University of Ottawa is internationally recognized for its piano education training programs. Come and nurture your passion for music and get the rigorous training necessary for an active career in this field.

The Certificate Program in Piano Pedagogy offers theoretical and practical training to professionals working in the piano teaching sector, allowing them to improve their skills or update their knowledge. The theoretical training includes the foundations of piano didactics, the foundations of music education, important research in music psychology. The practical training includes the experimentation of different methods, the observation of piano lessons and an internship.

This program is offered in English and in French.
