HONOURS BA IN HISTORY

History is the discipline that focuses on the diverse and complex ways that individuals and groups have created and adjusted to change over thousands of years around the world. In studying change over time, history students learn to interpret evidence of human thought and behavior, in order to understand the impact of individual and collective decision-making, the changing relationships among people and societies, and between humans and their environment.

This program is offered in English and in French.

Program Requirements

Co-operative education is available with this program.

The French immersion stream is available with this program.
