HONOURS BA IN PSYCHOLOGY

Psychology is the science that studies human behaviour and mental processes, and it is one of the richest fields of scholarly and scientific research. The BA in psychology deals with the fundamentals of psychology with a particular focus on how we learn, communicate and interact with one another, preparing you for graduate studies in experimental psychology, clinical psychology, in health sciences, in education or in administration.

This program is offered in English and in French.

Program Requirements
The French immersion stream is available with this program.

Requirements for this program have been modified. Please consult the 2017-2018 calendars (http://catalogue.uottawa.ca/en/archives) for the previous requirements.
