

# HONOURS BACHELOR OF COMMERCE – INTERNATIONAL DUAL DEGREE

## Overview

This direct-entry double-degree program allows students to receive simultaneous admission to the University of Ottawa and a French partner institution. Students complete three years at the Telfer School of Management and one year in France at Toulouse Business School, EDHEC Business School, or KEDGE Business School. Upon meeting progression requirements, students are nominated for third-year study abroad and earn two degrees. Tuition fees are paid to the University of Ottawa.

This program develops globally connected and impactful leaders. Students earn two full degrees within four years, including an international academic year and internship experience, enhancing agility, cross-cultural competence and professional readiness. Immersive learning, strong institutional support, and exposure to diverse academic and cultural environments prepare graduates to compete successfully for international careers and graduate studies.

This program is offered in English and in French.

## Program Requirements

Co-operative education is not available with this program.

The French immersion stream is available with this program.
