HONOURS BACHELOR OF COMMERCE (OPTION IN ACCOUNTING)

The Honours Bachelor of Commerce in Accounting allows students to build a solid foundation in financial and managerial accounting, auditing and taxation. Students not only learn how to produce accurate financial statements, but also study more complex topics in accounting.

As part of their program, students are able to specialize and take all the courses required to apply for Ontario’s Certified Professional Accountant (CPA) designation, or to be flexible and take a more general accounting stream.

This program is offered in English and in French.

Bachelor of Commerce and Master of Science Management (Research Project) Pathway

This exciting integrated accelerated bachelor’s/master’s program allows students to earn two degrees in five years. Designed for students with a strong academic record and a keen interest in conducting business research, this integrated program enables select undergraduate students to get a jump-start in their project-based master’s program by completing two graduate courses during their last year of the undergraduate degree, and starting their research project in a familiar environment over the summer bridge term between the bachelor’s and master’s programs. This integrated program focuses on empowering students to develop their business acumen and research skills in a specialized field of study, and to contribute towards smarter decisions about policy and practice in creating a better Canada.

For further information on this Dual Fast-track Degree, please communicate with the Student Services Centre via undergraduate@telfer.uottawa.ca.

Program Requirements

The option in accounting allows undergraduate students to build a solid foundation in the accounting discipline, including financial accounting, management accounting and taxation, without leading to the Certified Professional Accountant (CPA) designation.

Bridge to the specialization in accounting: There is no specific requirements to transfer from the option in accounting to the specialization in accounting.

Co-operative education is available with this program.

The French immersion stream is available with this program.

Requirements for this program have been modified. Please consult the 2021-2022 calendars (http://catalogue.uottawa.ca/en/archives/) for the previous requirements.

ADM 4319 Strategic Management in Developing and Emerging Economies
ADM 4328 International Marketing
ADM 4338 International Training and Development for Sustainability
Third language course (other than English or French) *
Total: 18 Units

Note(s)
* No culture courses are allowed for this requirement.

Mandatory Requirement: International Exchange

Students in the International Management option must complete at least 12 of the 120-unit program requirements abroad as part of an international exchange with one of the international partner institutions of the Telfer School of Management. At least one and at most two full-time semester(s) of study abroad (minimum 12 units per semester abroad) must be completed. During the exchange, students must take
business courses or third language courses. The normal load of an international exchange study session is 15 units.

Units completed as part of the international exchange session(s) may count towards partial or complete fulfillment of:

a) any of the 12 elective units listed under the International Management option requirements, provided the courses offered at the international partner institution are considered equivalent to the corresponding Telfer School of Management courses;

b) the 15 course units in administration (ADM);

c) the 15 course units from another faculty.

**Management Option**

ADM 4317 Leadership, Strategy and Sustainability 3 Units

15 course units from: 15 Units
ADM 3302 Supply Chain Management
ADM 3316 Competitive Intelligence
