HONOURS BACHELOR OF COMMERCE (OPTION IN FINANCE) (COMPLEMENTARY OPTION IN BUSINESS ANALYTICS)

This program is designed to equip students with the necessary financial tools for a career in either the corporate sector or investment. The theory and practice of financial management are combined with a comprehensive presentation of the financial instruments issued by corporations and modern valuation techniques. Students can extend their financial knowledge by focusing on derivative markets, and specialized topics in corporate and international finance.

This program is offered in English and in French.

Program Requirements
Co-operative education is available with this program.

The French immersion is available with this program.
