## HONOURS BA ENVIRONMENTAL STUDIES

Environmental studies delve into some of the most significant issues of our day, such as anthropogenic climate change, urban pollution and possible threats to human health. You learn how to use applied research tools and management principles that can be applied in a variety of areas, such as conducting environmental impact assessments and resource management.

## **Program Requirements**

Co-operative education is available with this program.

Workshop in Essay Writing

The French immersion stream is available with this program.

Requirements for this program have been modified. Please consult the 2024-2025 calendar (http://catalogue.uottawa.ca/en/archives/) for the previous requirements.

## Basic Skills ENG 1100
