MAJOR IN PSYCHOLOGY

Psychology is the science that studies human behaviour and mental processes, and it is one of the richest fields of scholarly and scientific research. The BA in psychology deals with the fundamentals of psychology with a particular focus on how we learn, communicate and interact with one another, preparing you for graduate studies in experimental psychology, clinical psychology, in health sciences, in education or in administration.

This program is offered in English and in French.

Program Requirements

The table below includes only the discipline-specific courses. Please refer to the Academic Regulations (http://web5.uottawa.ca/admingov/regulations.html) for information on the Honours bachelor’s with double major and the Honours bachelor’s with major and minor.

French immersion is available when taken as part of an honours degree.
