

# MAJOR IN RELIGIOUS STUDIES

The Major in Religious Studies is designed for students who want to develop a thorough understanding of religious experience and behaviour, while at the same time pursuing another Major or Minor in order to complete their degree. The Major will give you a foundation in methods used to study religion and will allow you to pursue topics that interest you when selecting the remainder of your courses. The Major will equip you with cultural knowledge and critical skills that can be applied in many fields, such as communications, public administration, law, business, education, and health.

This program is offered in English and in French.

Please refer to the Academic Regulations (<https://www.uottawa.ca/administration-and-governance/academic-regulation-3-program-of-studies/>) for information on the Honours bachelor's with double major and the Honours bachelor's with major and minor.
